**MADE IN GERMANY**

## Production

Buschbeck fires are designed and manufactured in a state-of-the-art precast factory in Waldbröl, Germany.

Design and production processes are constantly being revised and refined to ensure an ongoing high standard of quality. All products must pass ongoing quality controls as with Buschbeck customer satisfaction is a top priority.

## Design and Safety

The two-shell construction of Buschbeck Outdoor Fireplace Grills allows them to be fired with either charcoal for barbecuing or with wood for the ultimate outdoor fire experience.

Buschbeck fireplaces don't need to be plastered or painted as the surface of the concrete is treated to ensure that it retains its good looks even after years of intensive use.

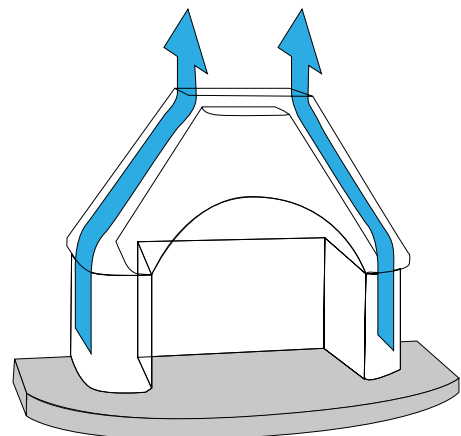

The special construction of Buschbeck outdoor fireplaces ensures a high level of safety as all parts of the stove that come into contact with the flames are made from refractory concrete, and air is constantly circulating between the outer skin and the five-part-furnace area.

### Buschbeck Outdoor Fireplace Grills Feature:

- Fully treated surface
- Twin skin design
- Made from refractory concrete
- Can be fired with charcoal or wood
- Contemporary design

Suitable for charcoal or firewood

Twin skin design makes the exterior cool to the touch

## Quality Control

All Buschbeck products pass stringent quality controls which also includes certification by TUV Rheinland Group. All Buschbeck outdoor fireplaces have been tested and hold TUV certifications.

**VENEDIG GRILLBAR**

## VENEDIG GRILLBAR

A great garden barbeque at an attractive price.

The Venedig Grillbar will be the centre of attention at your next barbeque. Load up with charcoal and cook up a storm or stack with firewood and build a fire for atmosphere and warmth on those cold evenings.

Accessories included: Chrome Grill Rack / Adhesive

Dimensions: 0.930 H x 1.100 W x 0.650 D  
 Weight: Approx 280kg  
 EAN Code: 40 33886 10040 9

Venedig Grillbar shown with optional Side Table

## VENEDIG STAINLESS

Modern architecture for your garden!

With the white quartz concrete finish and the high quality stainless steel hood and hearth, this outdoor barbeque fire is stunning and a perfect addition to any modern home.

The hood is fully adjustable to make for unhindered access to the cooking grill.

Accessories included: Chrome Grill / Adhesive

Dimensions: 1.970 H x 1.100 W x 0.650 D  
 Weight: Approx 360kg  
 EAN Code: 40 33886 10023 2

Suitable for charcoal or firewood

# buschbeck

## ST. MORITZ

A mixture of style and value.

Elegance and function are united in this garden barbeque fireplace. The two-tone appearance with the white quartz structure and contrasting brown combustion chamber and wood compartment creates a distinctive appearance.

Accessories included: Chrome Grill Rack / Adhesive

Dimensions: 2.030 H x 1.100 W x 0.650 D  
Weight: Approx 440kg  
EAN Code: 40 33886 10038 6

## ELBA

A garden grill fireplace for those who like things simple but classy.

Snow white textured concrete and stainless steel combine for a clean contemporary look.

Accessories included: Chrome Grill Rack / Adhesive

Dimensions: 2.060 H x 1.100 W x 0.650 D  
Weight: Approx 460kg  
EAN Code: 40 33886 10046 1

Suitable for  
charcoal or  
firewood

Ambiente shown with Pizza Insert (see page 8)

## RONDO

The Rondo boasts a more rounded design and is finished in white with a copper screen and flat chimney cap.

Accessories included: Chrome Grill Rack / Adhesive

Dimensions: 2.080 H x 1.150 W x 0.700 D  
Weight: Approx 510kg  
EAN Code: 40 33886 10001 0

## AMBIENTE

The stunning mix of white quartz concrete and high grade black granite gives this fire/garden grill an exclusive aura.

The granite mantelpiece is easy to clean and keeps its classy look even after many years use.

Accessories included: Chrome Grill Rack / Adhesive

Dimensions: 2.030 H x 1.150 W x 0.650 D  
Weight: Approx 440kg  
EAN Code: 40 33886 10044 7

Suitable for  
charcoal or  
firewood

## Side Table

White quartz concrete sidetable. Can be used with any Buschbeck fireplace except the Ambiente.  
EAN Code 40 33886 10040 9 / ST

## Adhesive

Type White Adhesive  
Weight approx. 1.5 kg  
EAN Code 40 33886 90017 7

## Base Extensions

### Standard:

Dimensions H 20cm x W 104cm x D 65cm  
Weight approx. 75 kg  
EAN Code 40 33886 90021 4

### Rondo:

Dimensions H 20cm x W 109cm x D 67cm  
Weight approx. 80 kg  
EAN Code 40 33886 90022 1

## Rondo Chimney Extension

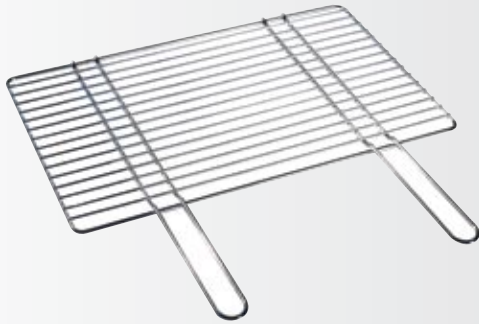

Dimensions H 34cm  
Weight approx. 25 kg  
EAN Code 40 33886 80710 8

## Standard Chimney Extension

Dimensions H 34cm  
Weight approx. 25 kg  
EAN Code 40 33886 80710 0

## Grill Rack

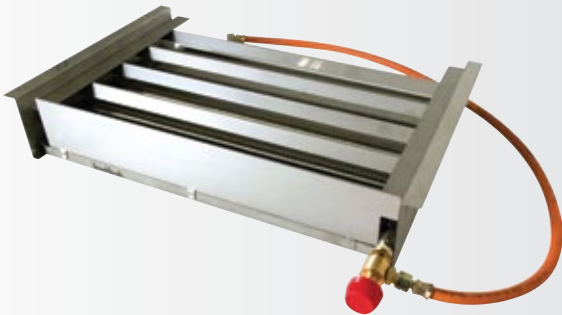

Dimensions W 54cm x D 34cm  
 Weight Approx. 1.5 kg  
 Material Chrome plated  
 EAN Code 40 33886 90003 0

## Grill Spit
